

sincerer-y

if today is the last day.  
if this quiet day is the last day.

if today is the last day.  
if this quiet day is the last day.

I'm near you even if so.  
hey, can I take your hands?

forgive me, I do not want to hurry.  
forgive me, I wanna give all my hearts for you.  
there is few things that I can.

the last will be quiet time.  
the last will be tranquil time.  
the words will not exist there.  
the last is same as a beginning.

the last, we will be there, aren't you?  
... uh right?
